## DUET 2020

It shows a deeper, ruby colour. Quite gentle on the nose, but well framed with dominant primary notes of dark red fruits and nice touch of oak maturation. With time it gets even livelier showing some red fruits.

It is dry on the palate with higher acidities and medium body. Tannins are not plenty, they are gentle, and they provide a nice, firm grip. Flavour character shows medium intensity, finesse, and good resolution. With long finish. Very well defined, very food friendly. Finesse before power. Wine is ready as of today but features enough substance and structure to stay with for almost a decade. Perfect wine by glass wine in a top restaurant. One of our favourites.

Drink from 2023–2030.
