CLASSIC

SAUVIGNON BLANC 2020

Medium deep, golden colour. Quite intense on the nose, riper, reminiscent of cooked plums, and ripe peaches and apricots. There is a slight animalic touch as well as yeast, blossom and fine smoke. Dry on the palate, with fuller body and clear oily texture adding to the weight. With moderate acidities. Flavour intensity on the palate is moderate with some extra minerality and tension. It brings a long, salty finish. Very good, nicely matured, not an immediate style. A very food friendly wine, which is not a very common Sauvignon Blanc attribute.

Drink from 2023–2027.

CLASSIC

SAUVIGNON BLANC 2021

It shows medium deep, golden colour. Medium intense on the nose. Though not a typical, Sauvignon Blanc aroma profile, we can easily find the variety, which is open and pure. Ripe peach, grapefruit, lemon, passion fruit, smoke and wet stone are speaking of moderate climate Sauvignon Blanc. For a moment it resembles white wines from the left bank of Garonne... Dry on the palate, with higher acidity levels. Slightly oily texture and medium to full body. Flavour character on the palate is moderately intense. A well-defined Sauvignon Blanc.

Drink from 2023–2028.
