CLASSIC

TRITON 2021

Medium deep golden yellow colour. Slightly restrained and quiet on the palate. We can detect yellow fruits such as pears as well as white flowers and wet stone. Dry on the palate medium to full bodied with a clear acidity level which helps keeping the wine well upright. The intensity on the palate seems to be more intense than on the nose, but remains delicate and youthful. It brings a good measure of tangy flavour, saltiness, and long finish. A great food companion as it is capable with its tender aroma profile to withdraw and create a great foundation for many dishes!

Drink from 2023–2027.
